

# World Day of Remembrance for Road Traffic Victims

Title: Role of Academia in Reducing Road Trauma

November 15, 2020, Webex

The webinar is jointly organized by Qatar Transportation and Traffic Safety Center, College of Engineering and the Department of Social Sciences, College of Arts and Sciences with the aim of remembering millions of victims who have been killed or seriously injured on the roads and to acknowledge the suffering of all affected victims, their families and communities. Millions are added each year to countless millions already suffering; a truly tremendous cumulative toll. In this webinar, the role of Qatar University in promoting evidence-based actions to prevent and reduce road traffic deaths, injuries, and the suffering of the victims and their families will be highlighted.

This webinar will host eminent speakers from Qatar Transportation and Traffic Safety Center and the Department of Social Sciences at Qatar University.
