The World Day of Remembrance for Road Traffic Victims (WDR) & African Road Safety Day

WDR is commemorated on the third Sunday of November each year - to remember the many millions killed and injured on the world’s roads, together with their families, friends and many others who are also affected. It is also the African Road Safety Day on which we thank the emergency services and reflect on the tremendous burden and cost of this daily continuing disaster to families, communities and countries, and on ways to halt it.

On Sunday, 18 November, 2018, we invite you to join us for a meditative afternoon and special prayer by different faith groups, as we extend the power of our pure feelings and good wishes to those who have been directly or indirectly affected by road accidents.

It will be followed by addresses from our eminent guests and a Special Silent Meditation session.
